01

## Slim Style and Smart

The patented dual-hinge engineered design lets you easily position the touchscreen to different height and tilt angles. Put it upright, low-profile, lay flat or VESA mount, perfect fit for a variety of hospitality and retail applications.

02

## Spill and Dust Proof

The IP65 front bezel and spill-proof vent holes help increase system reliability in harsh retail and hospitality environments.

03

## Integrated Peripherals

The Idealpos Glamor POS Terminal can be customised to suit your requirements with the choice of VESA Pole or Standard Base, Customer Display, Magnetic Card and RFID Reader options.
