

# Idealpos W Series Tablets

## KEY FEATURES

7" Screen

10" Screen

-  7" or 10.1" Projected Capacitive Touch Panel
-  Impressive Intel® Bay Trail-T Z3745 Quad Core CPU
-  11hr Battery for extended working periods
-  Integrated Magnetic Card Reader
-  Windows™ 8.1 Bing Operating System
-  Heavy Duty strap for safe and natural grip

The Idealpos W series Tablets are the result of extensive exploration into the features that are vital to the hospitality and service sectors. Some businesses simply need indoor/outdoor order entry, others need inventory control, yet some still needed the convenience of a mobile sales assistant on the sales floor.

### 01 POS Mobility

Suitable for all Hospitality and Retail environments where the POS Terminal goes where you are! Built in Wireless Networking, Idealpos will network seamlessly to other terminals, printers and other devices.

### 03 Optional Adjustable Cradle

The optional Adjustable Cradle with I/O Ports and Key Lock add value to your Tablet investment. Attach other POS peripherals and turn your Tablet into a POS System which can be unlocked and taken where necessary.

### 02 Industrial Grade Touch Tablet for Commercial Use

Heavy-Duty design made for POS, not for Social Media, exceeding 4 foot Drop standards. The Idealpos W1 and W2 Tablets are built to endure the most commercial businesses applications that require extended battery life and durable hardware.

### 04 Order Entry Device

Restaurants & Cafes are finding that the Idealpos W Series Tablets simplifies the order entry process with efficient, powerful and reliable order entry with screen sizes large enough to use without a stylus.

Standard Cradle (Included)

Optional Adjustable Cradle

# Technical Specifications
